## Career Employment Opportunity

### Hatchery Technician and Research Assistant

**Wages & Hours:** Full time employment (minimum of 40 hours per week). May need to work weekends. Starting salary dependent on experience.

**Job Location:** The headquarters of Mt. Lassen Trout Farms, Inc. is located approximately 17 miles east of Red Bluff, CA.

**Benefits:** Full medical and dental benefits for employee and all dependents. Benefits also include retirement contributions as well as paid sick and vacation leave based on years of service.

**Company Bio:** Mt. Lassen Trout Farms, Inc. has been rearing trout since 1949. We supply trout for both the recreational fishing and seafood industries with a commitment to raising the best trout and steelhead possible. We operate multiple trout farms in and around the base of Mt. Lassen. We maintain our own broodstock program with multiple strains of rainbow trout and steelhead, allowing us to control every stage of the rearing process. We are dedicated to continued research and development in feed conversions, fish health, vigor and overall performance of our fish.

**Job Description:** This position holds tremendous promise for a long-term career opportunity. We are seeking an individual who has aquaculture experience with an emphasis in biology. This job entails overseeing all life stages of the rearing process, with an emphasis on the early life stages. This position requires experience with recordkeeping, data entry and analysis. Daily tasks will include but are not limited to, weighing and administering feed, facilities maintenance, fish health monitoring and diagnosis. This requires keen attention to detail and good communication skills. Experience with experimental design is preferred but not necessary. You must be reliable, able to work independently and be punctual.

**Physical Requirements:** Applicants must be able to lift a minimum of 50 lbs repeatedly. It is necessary to be able to work in a wide range of conditions: often times, outdoors, in extreme weather and temperatures.

**Other Requirements:** Minimum of a high school diploma combined with advanced on-the-job training and several years of experience is required. You must be at least 18 years of age to apply and have a valid driver's license.

**How to Apply:** Please submit a resume to Katie Harris via email at [katie@mtlassentrout.com](mailto:katie@mtlassentrout.com).
